GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

The Washington State Apprenticeship and Training Council (WSATC) has the authority to develop, administer, and enforce apprenticeship program standards (Standards) for the operation and success of an apprenticeship and training program in the State of Washington.

Apprenticeship programs and committees function, administer, or relinquish authority only with the consent of the WSATC and only apprentices registered with the supervisor or recognized under the terms and conditions of a reciprocal agreement will be recognized by the WSATC.

Parties signatory to these Standards declare their purpose and policy is to establish and sponsor an organized system of registered apprenticeship training and education.

These Standards are in conformity and are to be used in conjunction with the Apprenticeship Rules, Chapter 296-05 WAC (Washington Administrative Code); Apprenticeship Act, Chapter 49.04 RCW (Revised Code of Washington); The National Apprenticeship Act, 29 U.S.C. (United States Code) 50; Apprenticeship Programs, Title 29 Part 29 CFR (Code of Federal Regulations); and Equal Employment Opportunity in Apprenticeship and Training, Title 29 Part 30 CFR which govern employment and training in apprenticeable occupations. They are part of this apprenticeship agreement and bind all signers to compliance with all provisions of registered apprenticeship. Additional information may need to be maintained by the program that is supplemental to these apprenticeship standards. This information is for purposes of ensuring compliance with decisions of the WSATC and the apprenticeship laws identified above.

If approved by the council, such amendment/s and such changes as adopted by the council shall be binding to all parties. Sponsors shall notify apprentices of changes as they are adopted by the council. If and when any part of these Standards becomes illegal, as pertains to federal and/or state law, that part and that part alone will become inoperative and null and void, and the Department of Labor and Industries (L&I) may adopt language that will conform to applicable law. The remainder of the Standards will remain in full force and effect.

See WAC 296-05-003 for the definitions necessary for use with these Standards.

The following Standards for the development of Residential Glazier and Glassworker apprentices have been prepared by representatives of the Glaziers and Glassworkers, Local No. 188, and employers of Residential Glaziers representing the industry. When approved by and registered with the Washington State Apprenticeship Council, these Standards will govern the training of apprentices in this industry.

I. GEOGRAPHIC AREA COVERED:

The sponsor has no authority to conduct training outside of the geographical area covered by these Standards. The sponsor may enter into an agreement (portability agreements – see WAC 296-05-303(3)) with other apprenticeship committees for the use of apprentices by training agents that are working outside their approved geographic area. Also, if a reciprocity agreement (see WAC 296-05-327) is in place, the out-of-state sponsor may use their registered apprentices. The sponsor will ensure compliance with the provisions of any agreement recognized by the WSATC.

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

The sponsor shall take positive action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by the rules of the Washington State Apprenticeship and Training Council and Title 29, Part 30 of the Code of Federal Regulations. B. Equal Employment Opportunity Plan:

The sponsor shall do the following to help meet the affirmative action obligations:

1. Cooperate with school boards, and/or community colleges and/or vocational schools to develop programs, which prepare students for entrance into apprenticeship
2. Disseminate information within shops concerning equal employment opportunity.
3. Encourage the use of pre-apprenticeship training and give equal opportunity for admission into the program.

IV. TERM of APPRENTICESHIP:

The minimum term of apprenticeship must not be less than 2000 hours or 12 months of work experience in each occupation identified in these Standards as apprenticeable. The term of apprenticeship must be stated in hours or months of employment.

The term of apprenticeship shall be a minimum of 36 months and 6000 OJT hours of reasonably continuous employment divided into six (6) pay periods of 1000 hours duration (with a minimum of 800 work hours per 1000 hour period) including probationary period and the required hours of related instruction. Any extension or reduction of this period of apprenticeship will be outlined in Section X of these Standards.

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

V. INITIAL PROBATIONARY PERIOD:

All apprentices are subject to an initial probationary period, stated in hours or months of employment for which they receive full credit toward completion of apprenticeship. Advance credit/standing will not reduce the initial probationary period. The initial probationary period:

- Is the period following the apprentice's acceptance into the program and during which the apprentice's appeal rights are impaired. The initial probation must not exceed twenty percent (20%) of the term of apprenticeship unless an exemption by the WSATC has been granted for longer probationary periods as specified by Civil Service or law.
- Is the period that the WSATC or the supervisor of apprenticeship may terminate an apprenticeship agreement at the written request by any affected party. The sponsor or the apprentice of the apprenticeship agreement may terminate the agreement without a hearing or stated cause. An appeal process is available to apprentices who have completed the initial probationary period.

The first six (6) months of employment (a minimum of 800 hours) after signing the apprenticeship agreement shall be a probationary period. During this period of apprenticeship, registration may be canceled by either party without the formality of a hearing. The Washington State Apprenticeship and Training Council shall be notified of such cancellations.

VI. RATIO OF APPRENTICES TO JOURNEY LEVEL WORKERS:

Supervision is the necessary education, assistance, and control provided by a journey-level employee that is on the same job site at least seventy-five percent of each working day, unless otherwise approved by the WSATC. The sponsor will assure that apprentices are under the supervision of competent and qualified journey-level workers on the job who are responsible for the work being performed, to ensure safety and training in all phases of the work. Apprentices will work the same hours as journey-level workers, EXCEPT where such hours may interfere with related/supplemental instruction. (see WAC 296-05-316(5))

The ratio of apprentices to journey-level workers on the job site or shop shall be as follows:

Any employer who steadily employs one (1) or more hourly paid journey-level residential glazier (or journey-level commercial glaziers doing residential work) may employ one (1) residential glazier apprentice. At no time will the number of residential glazier apprentices exceed the number of journey-level workers steadily engaged in residential glazing.

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

This ratio will be reviewed periodically and may be changed by action of the Apprenticeship Committee, subject to review by the Washington State Apprenticeship and Training Council.

VII. APPRENTICE WAGES and WAGE PROGRESSION:

The apprentice will be paid a progressively increasing schedule of wages based on specified percentages of journey-level wage consistent with skills acquired. These may be indicated in hours or monthly periods set by the sponsor. The entry wage will not be less than the minimum wage prescribed by the Fair Labor Standards Act, where applicable, unless a higher wage is required by other applicable federal law, state law, respective regulations, or by collective bargaining agreement.

The sponsor may accelerate, by an evaluation process, the advancement of apprentices who demonstrate abilities and mastery of the occupation to the level for which they are qualified. When the apprentice is granted advanced standing the sponsor must notify the employer/training agent of the appropriate wage per the wage progression schedule specified in these Standards.

Step	Number of hours/months	Percentage of journey-level rate
1	0000 - 1000 hours/0 - 6 months	55%
2	1001 - 2000 hours/7 - 12 months	60%
3	2001 - 3000 hours/13 - 18 months	65%
4	3001 - 4000 hours/19 - 24 months	70%
5	4001 - 5000 hours/25 - 30 months	80%
6	5001 - 6000 hours/31 - 36 months	90%
	Thereafter	100%

The apprentice shall receive on the job instruction and experience as is necessary to become a qualified journey-level worker versed in the theory and practice of the occupation covered by these Standards. The following is a condensed schedule of work experience, which every apprentice shall follow as closely as conditions will permit.

Employers/training agents shall only use registered apprentices to perform the work processes as stated in this section. (WAC 296-05-003 - Definitions)

IX. RELATED/SUPPLEMENTAL INSTRUCTION:

The apprentice must attend related/supplemental instruction. Time spent in related/supplemental instruction will not be considered as hours of work, and the apprentice is not to be paid for time so spent, unless otherwise stated in these Standards.

The sponsor/training agent must provide for instruction of the apprentice during the related/supplemental instruction in safe and healthful work practices in compliance with the Washington Industrial Safety and Health Act, and applicable federal and state regulations.

In case of failure on the part of any apprentice to fulfill this obligation, the sponsor has authority to take disciplinary action (see Administrative/Disciplinary Procedures section).

Clock hours of actual attendance by the apprentice in related/supplemental instruction classes at the community/technical college or other approved training locations shall be reported to L&I on a quarterly basis for verifying attendance and industrial insurance purposes.

For industrial insurance purposes, the WSATC will be considered as the employer should any apprentice, not being paid to attend, sustain an injury while participating in related/supplemental classroom activity, or other directly related activity outside the classroom. The activities must be at the direction of the instructor.

The methods of related/supplemental training must consist of one or more of the following:

- ☒ Supervised field trips
- ☒ Approved training seminars
- ☒ A combination of home study and approved correspondence courses

X. ADMINISTRATIVE/DISCIPLINARY PROCEDURES:

Sponsors may include in this section requirements and expectations of the apprentices and training agents and an explanation of disciplinary actions that may be imposed for noncompliance. The sponsor has the following disciplinary procedures that they may impose: Disciplinary Probation, Suspension, or Cancellation.

Disciplinary Probation: A time assessed when the apprentice's progress is not satisfactory. During this time the program sponsor may withhold periodic wage advancements, suspend or cancel the apprenticeship agreement, or take further disciplinary action. A disciplinary probation may only be assessed after the initial probation is completed. During the disciplinary probation, the apprentice has the right to file an appeal of the committee's action with the WSATC (as described in WAC 296-05-009).

Suspension: A suspension is a temporary interruption in progress of an individual's apprenticeship program that may result in the cancellation of the Apprenticeship Agreement. Could include temporarily not being allowed to work, go to school or take part in any activity related to the Apprenticeship Program until such time as the Apprenticeship Committee takes further action.

Cancellation: Refers to the termination of an apprenticeship agreement at the request of the apprentice, supervisor, or sponsor. (as described in WAC 296-05-009).

A. General Procedures

1. Credit for Previous Trade Experience:

- a. It is the intent of the Residential Apprenticeship Committee to provide, insofar as possible, continuous employment for all apprentices. This may necessitate the transfer of apprentices from one employer to another.**
- b. Applicants with previous experience in the glazing trade may apply for credit by:**
 - (1) Taking a Residential General Knowledge examination related to the glazing trade for evaluation purposes.**
 - (2) Submitting written resume to the Joint Apprenticeship Committee of previous experience and training in the glazing trade.**
 - (3) Included in the resume the number of months credit being applied for.**

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

- (4) Submitting a letter from the employer willing to pay the higher rate if credit is granted by the Joint Apprenticeship Committee. Amount of credit will be determined by the Residential Joint Apprenticeship Committee after a careful review of the merits of each case.

2. School Attendance & Tuition

- a. All apprentices are responsible for their own tuition and parking fees. Tuition must be paid prior to or on the first class in each quarter. Tuition can be reimbursed only if the apprentice has not missed any classes during the quarter and has a 90% or better grade on his/her quarterly exam and has turned in all applicable work progress reports on time.
- b. Apprentices are expected to attend all scheduled and assigned classes in any quarter.
- c. Each apprentice will be allowed only (1) one absence from class in any quarter. All absences will be made up as assigned by the coordinator.
- d. Any apprentice who is absent from their assigned class two (2) times in the same quarter will have their apprenticeship extended one month and stay at their present rate of pay one additional month. The apprentice will also be required to appear in front of the JATC, to explain their reason for the absences. Failure to appear may result in disciplinary action, suspension, or cancellation of their apprenticeship.
- e. Any apprentice who is absent from his/her scheduled class three (3) times in the same quarter can be suspended from class and job. The apprentice will be required to appear before the Residential JATC, with their employer, at the next scheduled Residential JATC meeting. Failure by either party to appear will result in disciplinary action, suspension, or cancellation of their Apprenticeship Agreement.

3. Grades

A grade average of 80% or higher must be maintained to receive a passing grade. A grade average of 79.9% or less is not acceptable and the apprentice will be required to repeat the failed class and remain at his/her present rate of pay for a period necessary to repeat the failed class. An apprentice may request to retake a failed test in order to receive a passing grade. The minimum passing grade for a retake is 85%.

4. Work hours and Restrictions

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

- a. The apprentice shall work the same hours as the journey-level worker and shall work under the supervision of a journey-level worker at all times, with the exception that during the last six (6) months of apprenticeship, the apprentice may work alone.
- b. Apprentices shall not work overtime or out of town if it interferes with their attendance at related instruction classes.

NOTE: Apprentices that are required to work their shift at night for their employer on their assigned class night may do so **ONLY** after a written letter by the Owner and/or Shop Superintendent has been received by the Apprenticeship Office and followed up with a phone call by the Training Coordinator.

Upon approval by the Training Coordinator, the apprentice will be counted as absent with the condition that the apprentice must attend assigned make-up classes to comply with the required 144 hours per year. If classes are not made up prior to his/her next scheduled raise, the apprentice will be counted as absent. Absences then will be handled within the rules stated in Section X, Article A, Paragraph's 2(d), 2(e), and 3 of these standards.

- c. Scheduled increases will be delayed until ALL missed classes have been made up. If classes are made up after the scheduled raise date, the increase will not be retroactive. Classes may be made up during the week on weekends or at a time so scheduled by the coordinator. Make-up classes may not always be at the convenience of the apprentice.
- d. Any apprentice failing to be in class on time at the scheduled start time or not remaining until dismissed by the instructor will be considered absent.

5. Work Progress reports

- a. Work progress record sheets must be filled out properly by the apprentice and turned in by the last working day of the following month. Work progress sheets may be given to the instructor during the school term. Work sheets will be accepted by the coordinator only when filled in correctly by the apprentice and **SIGNED BY THE SUPERVISOR, MANAGER, or EMPLOYER.**
- b. An apprentice will not receive a wage progression until work progress sheets are up to date and turned in to the Apprenticeship Office.

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

- c. In addition, the term of apprenticeship will be extended one (1) month for each month the work sheet is late.
- d. If an apprentice fails to turn in three (3) consecutive months of work sheets, he/she can be removed from the job until work sheets are up to date.
- e. One work sheet is due each month whether the apprentice has worked or not.
- f. If any apprentice fails to conduct themselves within the above guidelines or is a constant disruption in class, they will be required to appear before the Residential JATC for possible discipline, suspension, or cancellation.
- g. Any apprentice that comes to any class under the influence of drugs or alcohol or is physically or verbally abusive to other apprentices, instructors or staff of the Community College, will be removed from class by the Coordinator or Instructor. Should this happen, he/she will be suspended from class and be required to appear before the Residential JATC for possible discipline, suspension or cancellation. The apprentice will be required to make up all classes missed.

- A. Committee Operations (WAC 296-05-316): (Not applicable for Plant Programs)
Convene meetings at least three times per year of the program sponsor and apprenticeship committee attended by a quorum of committee members as defined in the approved Standards. If the committee does not indicate its definition of quorum, the interpretation will be “50% plus 1” of the approved committee members. Conference call meetings may be conducted in lieu of regular meetings but must not exceed the number of attended meetings and no disciplinary action can be taken during conference call meetings.

B. Program Operations (Chapter 296-05 WAC - Part C & D):

1. The sponsor will record and maintain records pertaining to the local administration of the apprenticeship program and make them available to the WSATC or its representative on request.

Records required by WAC 296-05-400 through 455 (see Part D of Chapter 296-05 WAC) will be maintained for five (5) years; all other records will be maintained for three (3) years.

2. The sponsor will submit to L&I through the assigned state apprenticeship coordinator the following list:

3. Adopt, as necessary, local program rules or policies to administer the apprenticeship program in compliance with these Standards that must be submitted for L&I approval and updating these Standards. The L&I apprenticeship program manager may administratively approve requests for revisions in the following areas of the Standards:
- Program name

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

- Section III: Conduct of Program Under Washington Equal Employment Opportunity Plan
- Section VII: Apprentice Wages and Wage Progression
- Section IX: Related/Supplemental Instruction
- Section XI: Committee - Responsibilities and Composition (including opening statements)
- Section XII: Subcommittees
- Section XIII: Training Director/Coordinator

C. Management of Apprentices:

1. Each apprentice (and, if under 18 years of age, the parent or guardian) will sign an apprenticeship agreement with the sponsor, who will then register the agreement, with L&I before the apprentice attends the related/supplemental instruction classes, or within the first 30 days of employment as an apprentice. For the purposes of industrial insurance coverage and prevailing wage exemption under RCW 39.12.021, the effective date of registration will be the date the agreement is received by L&I.

L&I must be notified within 30 days of program approval, of all requests for disposition or modification of agreements, with a copy of the committee minutes approving the changes, which may be:

- Certificate of completion
 - Additional credit
 - Suspension (i.e. military service or other)
 - Reinstatement
 - Cancellation and/or
 - Corrections
2. Rotate apprentices in the various processes of the skilled occupation to ensure the apprentice is trained to be a competent journey-level worker.
 3. Periodically review and evaluate apprentices before advancement to the apprentice's next wage progression period. The evidence of such advancement will be the record of the apprentice's progress on the job and during related/supplemental instruction.
 4. The sponsor has the obligation and responsibility to provide, insofar as possible, continuous employment for all apprentices in the program. The sponsor may arrange to transfer an apprentice from one training agent to another, or to another sponsor when the sponsor is unable to provide reasonably continuous employment, or they are unable to provide apprentices the diversity of experience necessary for training and experience in the various work processes as stated in these Standards. The new sponsor or training agent will assume all the terms and conditions of these Standards. If, for any reason, a layoff of an apprentice occurs, the apprenticeship agreement will remain in effect unless canceled by the sponsor.

GLAZIERS, ARCHITECTURAL METAL AND GLASSWORKERS
RESIDENTIAL APPRENTICESHIP COMMITTEE

5. An apprentice who is unable to perform the on-the-job portion of apprenticeship training may, if the apprentice so requests and the sponsor approves, participate in related/supplemental instruction, subject to the apprentice obtaining and providing to the sponsor written requested document/s for such participation. However, time spent will not be applied toward the on-the-job portion of apprenticeship training.
6. Hear and adjust all complaints of violations of apprenticeship agreements.
7. Upon successful completion of apprenticeship, as provided in these Standards, and passing the examination that the sponsor may require, the sponsor will recommend that the WSATC award a Certificate of Completion of Apprenticeship. The program will make an official presentation to the apprentice that has successfully completed his/her term of apprenticeship.

D. Training Agent Management:

1. Offer training opportunities on an equal basis to all employers and apprentices. Grant equal treatment and opportunity for all apprentices through reasonable working and training conditions and apply those conditions to all apprentices uniformly. Provide training at a cost equivalent to that incurred by currently participating employers and apprentices. Not require an employer to sign a collective bargaining agreement as a condition of participation.
2. Determine the adequacy of an employer to furnish proper on-the-job training in accordance with the provisions of these Standards. Require all employers requesting approved training agent status to complete an approved training agent agreement and comply with all federal and state apprenticeship laws and the appropriate apprenticeship Standards.
3. Submit approved training agent agreements to the department with a copy of the agreement and/or the list of approved training agents within thirty days of committee approval.
